# About Us

With over a decade of unwavering commitment to excellence, 3RC Doors and Frames has firmly established itself as a distinguished name in the realm of wooden door manufacturing. Situated in the picturesque state of Kerala, our journey has been one of innovation, craftsmanship, and dedication to quality.

At 3RC Doors and Frames, we believe in crafting the finest entryways that redefine modern living. We specialize in harnessing the inherent beauty of pure woods to create bespoke door items that exude sophistication, durability, and timeless charm.

Our experience and expertise span more than a decade, during which we have diligently upheld superior industry standards in all our manufacturing and business practices. We understand that contemporary living spaces demand a seamless fusion of conventional engineering and elegant, modern design sensibilities. Our products exemplify this blend, showcasing the enduring appeal of classic wood, which remains irreplaceable.

As a company, we take pride in catering to the custom needs of our clients, ensuring that each project we undertake is an embodiment of their unique vision. Be it doors, door frames, window panels, or any other wood-related solutions, 3RC Doors and Frames is dedicated to delivering uncompromising quality that stands the test of time.
